## PROJECTS

### Hunting - Short Film

12/22 - 07/23

- Hunting is an experimental short film that addresses the theme of gender identity through the allegory of big game hunting. It won the Jury Award at the Animakom International Film Festival (2023) held in Bilbao and was fourth finalist at the Serbest International Film Festival (2023), Romania.

### Kandinhale - Videogame

05/24 - 12/24

- Kandinhale is a story-driven short RPG game in which you'll have to escape from the clutches of Kandinhale, the company that owns almost the entire consumable market in this idyllic candy world.

### I Was Tomorrow - Short Film

09/23 - present

- Project in development presented in the WIP section of the Animadeba International Film Festival (2024), in Deba.
