■ Unity

■ Video games

■ Coffee

Experiences

Unity Developer

November 2023 - December 2023

Mind Trips

Developed "Sector 77: La Resistencia" a mobile application using Vuforia for an escape room in Unity.

Internship

February 2023 - May 2023

Mind Trips

Developed "Sector 77" a mobile application for an escape room using Vuforia in Unity. More information at .

Worked on a terror game in Unreal:

- Developed a Main Menu focusing on the options part.
- Developed jump-scares.

Education

Video Game Design and Development degree

2019 - 2023

Universitat Jaume I

Developed various solo projects such as:

- **Gem Maker Tycoon** 
- **Lambda Project V** 

And some group projects such as:

- **Fountain of Memories** 

Personal projects

- **Time-Tick Cemetery** 

Current activities

- Enhancing my proficiency in Unity.
- Exploring various design patterns.
- Deepening my understanding of OOP principles.
